

# EXB-HD HEAVY DUTY TRENCHING BUCKET

\* Attachments depicted may include optional upgrades or custom configurations.

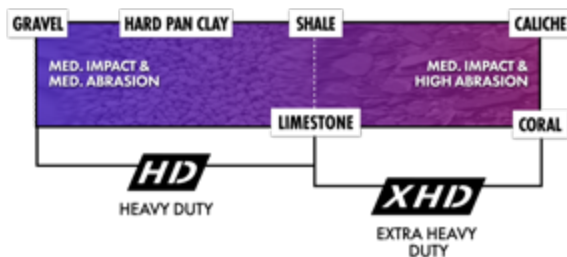

Craig Heavy Duty Buckets are designed for **medium abrasion, medium impact** job sites.

- Available in **Wedge Lock, Pin-on, S Series, or Manual Bar Lock** lugging
- Comes pre-drilled for side cutters or wear shrouds
- Optional Hard-Facing available
- Various ground engaging tools available to meet your specifications
- Enclosed D-Link standard

\*For applications with special conditions (including but not limited to: frost, silica, boulders & poorly blasted material), Craig recommends choosing a bucket class one level higher than what is recommended in normal conditions.

- A 36/A 572/44W**
- A 514/QT 100**
- AR 400**
